

Avocado.B₁₂

für die sehr empfindliche Haut

For external use on hypersensitive, dry skin, and for atopic dermatitis and psoriasis

SHOWER CARE

PZN: 6148011

Avocado.B₁₂ Shower Care contains a high proportion of panthenol (vitamin B5), which increases the skin's moisture-retaining capacity and thus actively prevents the skin from drying out. Panthenol and allantoin relieve itching and reduce skin irritation. **Avocado.B₁₂** Shower Care contains no fragrances or colourants, as these often irritate sensitive skin. Thanks to the moisturising avocado oil in the proven formulation and a pH value of 5.5, showering becomes a pleasant experience again, even for very dry, hypersensitive skin.

HERE'S WHAT'S IN THE FORMULA OF ROSA **Avocado.B₁₂** SHOWER CARE:

- Avocado oil is rich in vitamins A, D and E, as well as unsaturated fatty acids. It has a moisturising effect, smooths the skin and promotes cell regeneration. Hypersensitive skin with a compromised barrier function regains its natural protective function and regenerative power.
- The palmitoleic acid in the avocado fruit ensures good tolerability even for sensitive and compromised skin conditions such as psoriasis, atopic dermatitis and skin prone to allergies.
- Panthenol (vitamin B5) increases the skin's moisture-retaining capacity and improves its elasticity. It supports the regeneration of skin cells and thus contributes to the skin's recovery.
- Allantoin promotes skin cell regeneration and has a soothing effect.
- Vitamin B12 is considered an antioxidant vitamin that has proven effective against itching and redness. It also gives the **Avocado.B₁₂** shower care product its characteristic pink colour.

RECOMMENDED USE:

Shake before use. Apply a small amount of **Avocado.B₁₂** Shower Care to damp skin and massage in gently – then rinse briefly with lukewarm water. Also suitable for hair care and very sensitive scalps.

INCI: Aqua, Sodium Laureth Sulfate, Cocamidopropyl Betaine, Panthenol, Persea Gratissima Oil, Sodium Chloride, Sodium Cocoamphodiacetate, Polysorbate-80, Phenoxyethanol, Ethylhexylglycerin, Allantoin, Cyanocobalamin, Citric Acid.

Avocado.B₁₂ – This pink shower gel is vegan, locally sourced and cruelty-free, free from artificial colours and fragrances, and free from microplastics.
